Uploading rules - **Torrents violating these rules may be deleted without notice.**

• **Torrents violating these rules may be deleted without notice. If you have any question please PM staff. Please respect uploading rules.**

• DUPE rules:

1. Only upload synchronized audio tracks for already available encodes on the tracker.
2. Before submitting offers or uploading torrents, please first search to see if the 'Torrents' section contain any releases of the same 'Type' in the same format. If so, the staff will delete the new offer/upload without warning.
(For example, if movie A has a 720p release but no 1080p release on OCHits, you can upload a 1080p release of movie A but not another 720p release.)
3. The Repack and Proper version of the existing files in 'Torrents' area is allowed. The old wrong torrents will be deleted after the upload of the Repack or proper version.
4. CHD group version and other co-group version will not be restricted by DUPE rules.

• Requirements for 'Offers' area uploading:

1. Member of the rank below Insane User must at least receive 20 votes on their torrent in Offered section before they may upload or you can upload directly with the permission of the administrator.
2. High bandwidth(10MB/s) has higher priority over low bandwidth(ADSL) with the resource more 500M.Low bandwidth member's application in the offered section may be replaced by the High bandwidth with the same resource although the low bandwidth first applied and the first application will be deleted by administrator.
3. Uploading application must mark the uploading bandwidth condition. If there's no bandwidth condition mark, the application will be deleted without notice. If we find false information about the bandwidth condition is given, we will delete the application or torrents. We can even give a warning or a ban on the account if the case is severe enough.
4. Demand for release TV series: Usually one episode in one torrent, two at most. The size, encode type, and the download speed must be better than the previous season pack must include all the episodes and do the episode size, encode type, and the download speed must be better than the previous season pack.

• Requirements for:

1. Resolution: 1920x1080, 1440x1080 (only BBC, IMAX), 1280x720, 720x480/576(only DVD9 and DVD5)
2. Make sure your torrents are well-seeded for at least 72 hours and until 3 seeders are on the torrent.
3. You should always disable DHT in your BitTorrent client if you are using this tracker.
4. Do not upload RAR/ZIP/7z files, except for the subtitles and patch.
5. Name the torrents based on Resolution(1080p/1080i or 720p or 480p/576p).

• **Do not upload the 'Sample' torrents. please pack with the main movie.**

• Audio track requirements for re-encodes video:

1. The HD re-encodes video(1080p or 720p) should use original 5.1 sound or audio track(DTS/AC3)re-encoded from higher lossless audio track(DTSMA/TureHD/Dolby/PCM) by professional encoding software(EAC3to)
2. The simple Chinese audio track could use original AC3 2.0

• **Do not upload LOW-TO-HIGH quality files. Such files will be deleted directly.**

• **Do not upload any TRAILER's torrents and offers. Such stuffs will be deleted directly.**

• **Banned sdu/mysdu's releases**
